PACO BOY OFF TO A FLYER!

Former WS sire **Paco Boy** has made a flying start to his breeding career in the Northern Hemisphere, with his very first foal proving to be a black-type winner last weekend.

The black-type win came by way of his 2YO son **Beacon**, who took his smart race record to three wins from four starts in the **Listed Sandown Dragon Stakes (1000m)**.

Paco Boy, who stands at Highclere Stud in the Northern Hemisphere, had just the one NZ crop and they were strongly received at Karaka's Yearling Sale Series this year.

Off the back of his **NZ\$12,500** service fee, his progeny averaged **\$61,750**, enabling **Paco Boy** to be crowned the **Select Sale's Leading First Season Sire**.

Lock in your daughters

The amazing **Zabeel** continues to exert his influence on the racing scene through his daughters, as he leads both the Australian and New Zealand Broodmare Sires tables this season. So, if you are lucky enough to have a daughter of **Zabeel**, who do the results to date suggest you should send her to this season?

Overall, **Zabeel** daughters produce stakes winners at an average rate of **6.6% SW/Rnrs** – so it makes sense to focus on stallions who have achieved better than these results when mated with **Zabeel** mares. We have three options on our roster who would make excellent choices on this basis:

- **O'Reilly** – From **23** runners out of **Zabeel** mares, he has achieved **13.0%** SW/Rnrs – and these have included the Gr. 1 winners **Silent Achiever** and **O'Marilyn**
- **Pins** – From **36** runners, he has achieved **8.3%** SW/Rnrs – and these have been the Group winners **Pimms Time**, **Rhythm To Spare** and **Epingle**
- **Rock 'N' Pop** – From **26** runners, his sire **Fastnet Rock** has achieved **11.5%** SW/Rnrs – and these have included the Gr. 1 winners **Atlantic Jewel** and **Planet Rock**.

Rock 'N' Pop is out of the **Sir Tristram** mare **Popsy**. Stallions out of **Sir Tristram** mares have produced stakes winners at the rate of **9.1% SW/Rnrs** when mated with **Zabeel** mares, so that is another point in favour of **Rock N Pop** being a very good option.

So, if you have a mare by, or carrying **Zabeel**, results to date suggest **O'Reilly**, **Pins** and **Rock N Pop** would all make excellent options for her. Of course, **O'Reilly's** book is closed for this season, but if you would like to discuss either **Pins** or **Rock 'N' Pop**, please give me a call on 021 433 073 or contact me at gareth@waikatostud.co.nz

Cheers

Gareth Downey

MARK'S MAIL

Chuffed to see **Savabeel** strike his 12th stakes winner this season and to see **Paco Boy** register his landmark first stakes winner up North.

With early results like these, it certainly bodes well down here for the season ahead, when **Paco Boy's** NZ crop hit the track.

Have a great weekend!

Mark.
